6	16:15-16:45	Presentation by Japan
	16:45-17:00	Q & A

Apology

- Today’s symposium has been decided to be held before only one month and a couple of weeks, and preparation is not sufficient. We are very sorry for any inconvenience.

- The planned moderator/translator has met with a trouble, so a acting moderator/translator will take on the task.
