

ASOCIO DIGITAL AND AI SUMMIT 2026

5-7 October 2026 | Jakarta, Indonesia

Asocio Digital Summit 2026

"Accelerating Digital Transformation: Building Secure, Resilient and Connected Digital Economies"

in conjunction with

Asocio AI Summit 2026 (Inaugural)

"AI Beyond Hype: Transforming Industries, Education, Governments and Society"

5-7 October 2026 | Swissôtel Jakarta PIK Avenue, Indonesia

Introduction & Executive Overview

Where Digital Leaders, AI Innovators, and Policymakers Shape the Future of Asia-Oceania

ASOCIO Digital & AI Summit 2026 is a flagship regional gathering designed to connect Asia-Oceania's digital and AI ecosystems in one high-impact platform. Hosted in Jakarta, Indonesia, the summit brings together government leaders, ICT associations, technology corporations, digital transformation decision makers, AI innovators, startups, academia, investors, and ASOCIO member economies.

The 2026 summit is positioned not only as a conference, but as a strategic ecosystem platform where regional leaders can exchange ideas, showcase solutions, build partnerships, recognize excellence, and accelerate practical collaboration across the digital economy and artificial intelligence landscape.

The event is designed around three integrated pillars:

- 1** High-level summit program for regional dialogue, executive insight, and policy-industry alignment.
- 2** Public Digital & AI Exhibition with free visitor access to drive higher traffic, stronger exposure, and better value for exhibitors.
- 3** Awards and recognition platform celebrating excellence through ASOCIO Awards 2026 and ASOCIO Digital AI Awards 2026.

ASOCIO Digital & AI Summit 2026 is a regional platform where digital leadership meets AI execution - connecting policy, industry, technology, talent, and investment into one collaborative agenda.

ASOCIO at Glance & Strategic Significance

The Asian-Oceanian Computing Industry Organization (ASOCIO) is a leading regional ICT federation connecting national technology associations and digital industry stakeholders across Asia-Oceania. Established in 1984, ASOCIO has become one of the region's most established platforms for ICT industry collaboration, digital economy development, policy-industry dialogue, and cross-border business relationships.

Through its network of member economies, ASOCIO represents a broad ecosystem of ICT companies, software and services providers, technology leaders, digital innovators, government-linked institutions, academia, startups, and industry associations. This regional reach gives ASOCIO a unique role in connecting public-sector priorities with private-sector innovation and practical market collaboration.

01

A regional digital
policy voice

02

A bridge between
government, industry,
startups, and academia

03

A strategic partner to
regional economic forums
including APEC-related
initiatives

ASOCIO, representing 24 member economies and a network of over 20,000 technology companies across Asia-Oceania.

It serves as a trusted platform for regional collaboration, innovation, business networking, policy dialogue, and digital economy growth.

Indonesia's Strategic Transformation

For Indonesia, The Implications Are Transformational

As digital technologies and artificial intelligence continue to reshape economies, industries, and societies, Indonesia is uniquely positioned to become a leading hub for regional collaboration, innovation, and digital leadership.

The Summit will address strategic priorities including digital infrastructure, cybersecurity, cloud and connectivity, digital government, smart cities, digital economy, enterprise transformation, fintech, data governance, and emerging technologies. At the same time, it will explore the future of artificial intelligence through discussions on AI governance, sovereign AI, agentic AI, AI infrastructure, workforce transformation, innovation ecosystems, and responsible AI adoption.

More than a conference, the Summit positions Indonesia as a strategic convening point for regional dialogue, cross-border partnerships, investment opportunities, and the advancement of a secure, innovative, and sustainable digital future across Asia Oceania.

Summit Vision & Context

Asia–Oceania today holds:

- The world's strongest semiconductor & edge computing base
- The fastest-growing AI data center markets
- Massive digital populations and innovation ecosystems

Yet, global IT and AI development is increasingly centralized, creating risks:

- Over-dependence on a few dominant AI ecosystems
- IT infrastructure vulnerability
- Ethical, security, and sovereignty challenges

//

The Summit addresses this inflection point by advancing Hybrid Intelligence—a balanced model where human intelligence, machine intelligence, and governance frameworks evolve together

Theme | "Accelerating Digital Transformation: *Building Secure, Resilient and Connected Digital Economies*"

CONFERENCE THEME (KEYNOTE)

01

Leadership in the Age of Digital and AI

Exploring how CIOs can lead AI-driven transformation by aligning technology, governance, talent & innovation

02

Securing the Digital Future: Cybersecurity, Digital Infrastructure, and Responsible AI Governance

Building secure, resilient, and sovereign foundations for sustainable growth.

03

Driving Economic Value Through Digital and AI Innovation

Unlocking productivity, new business models, and regional collaboration at scale.

NextGen Tech Leaders Fellowship 2026

a three-day regional leadership programme connecting emerging technology leaders from across Asia–Oceania through government exposure, innovation showcases, mentoring, and cross-border collaboration.

DIGITAL MINISTRY FORUM

The Ministerial Talk is a high-level dialogue featuring government leaders from ASOCIO member economies, highlighting national perspectives, policy priorities, and regional collaboration opportunities in accelerating digital transformation and responsible AI adoption and data sovereignty.

PLENARY PANEL

- Enterprise Transformation, Resilience and Competitiveness
- Regional Collaboration, Trust and Future Readiness

Breakout Room Sessions

- Interactive industry forums, leadership labs, technology showcases, policy dialogues, and curated networking experiences

Tech Content Creator Impact Recognition 2026

a regional creator-led programme that mobilizes tech content creators across Asia–Oceania to amplify the Summit, generate measurable digital engagement & recognize outstanding creators for their reach, storytelling, substance & audience impact.

Event Structure & Highlights

Overview of the 3-Day Program

1

Monday, 5 October 2026

- International Delegation Arrival
- NextGen Tech Leaders Fellowship 2026
- ASOCIO General Assembly
- Welcome Dinner & Networking

2

Tuesday, 6 October 2026

- Asocio Digital Summit 2026 Grand Opening Ceremony
- The ASOCIO Cybersecurity Policy Report Launch
- Digital Cyber Security Keynote Sessions
- Digital Cyber Security Plenary Panels
- CIO Panel Discussion - Changes in Digital Landscape
- Executive Breakout Forums
- NextGen Tech Leaders Fellowship Roundtable
- Digital & AI Exhibition (Day-1)
- ASOCIO Digital & AI Awards 2026 & Celebration Dinner

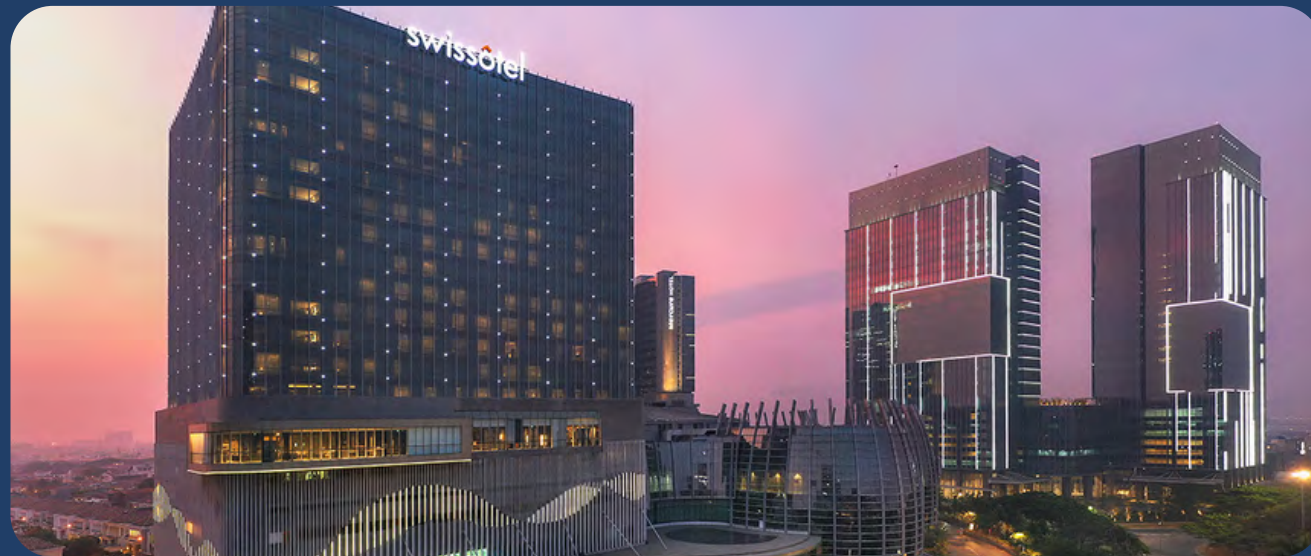

3

Wednesday, 7 October 2026

- Asocio AI Summit Opening Ceremony
- Digital & AI Exhibition (Day-2)
- AI Keynote Sessions
- AI Plenary Panels
- AI Collaboration Forum
- Pitch Networking (Award Recipient)
- Regional Partnership Discussions
- Closing Ceremony & Handover

Venue & Accommodation

Swissôtel Jakarta PIK Avenue & Official Hotel Partners

Swissôtel Jakarta PIK Avenue offers premium facilities and security, ensuring a comfortable experience for attendees. Nearby tiered partner hotels provide additional accommodation options for all participants.

Official Travel & Hospitality Partner: KLIX Travel

To enjoy special rates for hotels, transportation, tours, and VIP services, please contact the official partner of the Organising Committee: **KLIX Travel**.

Delegates Profile

- 500 International Delegates (ASOCIO economies)
- 300 Local (National) Delegates
- Ministers, Regulators & Government Officials
- Global & Regional Tech Leaders
- CEO, COO, CIO, CSO CTO, CBO and all C-Levels
- Founders & Business Leaders
- Senior Executives & Top Management of State-owned Enterprises
- IT, Digital, AI & Cybersecurity Professionals
- Digital Transformation Practitioners and Enterprise Technology Leaders
- Startups, Youth Innovators & Venture Builders
- Investors, Venture Capital, Accelerators & Innovation Ecosystem Leaders
- Rectors, Deans, Researchers & Leaders from Universities and Research Institutions
- Industry Associations, Chambers of Commerce & Regional Business Networks
- Media, Analysts, Policy Think Tanks & Digital Economy Observers

Ministers & Gov Officials

Government leaders driving Digital & AI policy and innovation forward.

Global Tech Leaders

Visionaries shaping the future of technology in Digital & AI.

C-Level dan Senior Leaders

Entrepreneurs bringing fresh ideas and solutions to market.

CIO Debate Discussions

Executive debates on digital strategy, innovation, and transformation.

ASOCIO Awards 2026 (4 Categories)

Celebrates excellence in digital innovation, digital transformation, public sector modernization, talent development, ESG, and technology-enabled services.

➤ Digital Government Award

Recognizing outstanding government initiatives that leverage digital technologies to improve public services, efficiency, and citizen engagement.

➤ Talent Development Award

Honoring organizations that excel in developing digital skills, future-ready talent, and workforce transformation programs.

➤ ESG Award

Celebrating organizations that use technology and innovation to advance environmental, social, and governance (ESG) impact and sustainability goals.

➤ Global Business Service Award

Recognizing excellence in technology-enabled business services, operational innovation, customer experience, and global service delivery.

The graphic features a large, stylized trophy on the left with a globe on top and the ASOCIO logo on the base. The background is a gradient of purple and green. On the right, the ASOCIO logo is at the top, followed by the text 'ASOCIO AWARDS OFFICIAL LAUNCH' in large, bold letters. ASOCIO Digital AI Awards 2026 (8 Categories)

Celebrating Excellence in Innovation and Leadership in AI

➤➤ **AI in Cybersecurity**

This category recognizes organizations leveraging Artificial Intelligence to proactively detect, prevent, and respond to cyber risks across digital ecosystems, critical infrastructure, and enterprise environments.

➤➤ **AI In Healthcare**

This category celebrates excellence in the application of AI across healthcare delivery, from early diagnosis and treatment planning to hospital management and patient monitoring.

➤➤ **AI for Public Good Award**

This category honors AI initiatives that create measurable positive impact on society, including improvements in public services, environmental sustainability, social welfare, and community resilience.

➤➤ **AI for Smart Agriculture & Food Security**

This award focuses on AI-driven innovations that enhance agricultural productivity, optimize resource utilization, and strengthen food security across the region.

➤➤ **AI in Education**

This award highlights transformative applications of AI that enhance teaching and learning experiences, expand access to quality education, and improve institutional efficiency.

➤➤ **AI in Financial Services & FinTech Innovation**

This category recognizes advancements in the use of AI within financial services, including risk management, fraud detection, personalized banking, automated trading, and alternative credit scoring.

ASOCIO Digital AI Awards 2026 (8 Categories)

➤ AI for Workforce & Future Skills Transformation

This award acknowledges initiatives that leverage AI to prepare the workforce for an increasingly digital and automated economy.

➤ AI in Manufacturing/Supply Chain

This category recognizes organizations deploying AI to enhance industrial productivity, resilience, and intelligent supply chain coordination amid global economic volatility.

CIO MINDSET ON BUSINESS & TECHNOLOGY LANDSCAPE CHANGES

Technology is no longer just an enabler—it is a core driver of business growth, competitiveness, and resilience. Today's CIOs are expected to align technology with business strategy while navigating rapid technological change, evolving customer expectations, and increasing cybersecurity risks.

Modern CIOs are driving **AI adoption, strengthening cybersecurity, leveraging data** for strategic decisions, modernizing digital infrastructure, accelerating business transformation, and developing future-ready digital talent.

ASOCIO NextGen Tech Leaders Fellowship 2026

A three-day regional fellowship connecting young emerging technology leaders from ASOCIO member economies through government exposure, innovation visits, mentoring, leadership dialogue, and cross-border collaboration.

Programme Highlights

- Up to 24 selected NextGen leaders from participating economies
- Summit access, mentoring, innovation showcase, and business matching
- Regional recognition and entry into the inaugural ASOCIO NextGen alumni network

Strategic Impact

Building a visible pipeline of future digital leaders and creating a lasting regional leadership legacy beyond the Summit.

ASOCIO Tech Content Creator Impact Recognition 2026

A creator-led regional programme mobilising influential technology content creators to amplify the Summit, translate its key messages into engaging public narratives, and generate measurable digital exposure across Asia–Oceania.

Programme Highlights

- Creator campaign and official creator delegation
- Content focused on AI, technology, digital economy, innovation, and future skills
- Top 3 creators recognised as ASOCIO Tech Content Creator Impact Honorees 2026

Strategic Impact

Expanding the Summit's reach, engaging wider digital communities, and creating a sponsor-friendly content and visibility platform.

Exclusive Pavilion & Exhibition Booths Opportunities

ASOCIO Digital & AI Exhibition 2026 is a key differentiator of the summit. With free public admission, the exhibition is designed to create stronger visitor traffic, higher exposure, and greater value for exhibitors and participating economies.

Thematic Booths : USD 2,500 / Booth (1,6m x 3m area per booth)

- Digital Public Infrastructure & GovTech
- Enterprise Solution & Industry Frontier
- Cybersecurity & Digital Trust
- Cloud, Data Center & Connectivity
- FinTech & Digital Finance
- Startup & Innovation
- Digital Commerce, Retail Tech & Customer Experience
- Green Digital, E-Mobility & ESG Technology
- Smart City, Urban Tech & Public Services
- Smart Industry, IoT & Automation AI
- AI Infrastructure, Compute & Semiconductor
- Data Analytics & Industrial AI
- EdTech, AI Talent & Workforce Transformation
- HealthTech & AI for Healthcare
- Creative AI, MediaTech & Content Innovation
- AgriTech, FoodTech & Climate AI

Country Pavilion: USD 12,000 / Pavilion (8m x 3m area per pavilion)

- National branding & identity
- Policy, industry & innovation showcase
- Strong diplomatic and trade positioning
- One pavilion can accommodate up to five booths.

Ticket Registration Fee

Full Delegate Pass

USD 300

What's Included

- Welcome Dinner and Networking
- Opening Ceremonies on Days 2 & 3
- Access to All Keynote Sessions, Plenary Panels, and Breakout Sessions on Days 2 and 3
- Lunch, Coffee Breaks & Refreshments
- ASOCIO Digital & AI Awards Night and Celebration Dinner
- Exhibition Access on Days 2 and 3
- Closing Ceremony

- Award Night & Celebration Dinner

Award Recipient Full Program Add-On

USD 150

Available exclusively to confirmed Award recipients, who wish to participate in the full three-day programme.

Delegates from Award Recipient Organisation

For colleagues or team members from the same organisation who wish attend the full three-day programme.

USD 200 (1 - 3 delegates)

USD 150 (4+ delegates)

Procedures For Member Economies Requiring Visa Applications

1. **Application Submission:** Submit your application through the evisa.imigrasi.go.id site.
2. **Document Upload:** Fill out the application form and upload the necessary documents electronically, which include:
 - a. A valid passport bio page, valid for at least 6 months from the date of entry.
 - b. A recent color photograph (taken within the last year).
 - c. A return ticket or a connecting ticket to another country (not applicable for crew members).
3. **Payment:** Pay via digital payment methods using a debit/credit card.
4. **Visa Collection:** Access the e-visa in your email or your e-visa account, typically delivered within 1x24 hours.

The screenshot displays the 'Visa Application' interface on the evisa.imigrasi.go.id website. The header includes the Ministry of Immigration and Corrections logo and navigation links. The main section shows a progress bar with three steps: 'Apply' (completed), 'Payment', and 'Download e-Visa'. Below the progress bar, there are three instructions: 'Upload your passport and newest formal photo', 'Fill out the form complete, attach the applicable documents', and 'Review & Submit, tick in each checkboxes for review'. The 'Personal Information' section is visible, showing a 'Passport' upload area with a 'PASPORT' form and a 'Photo' upload area. The 'Photo Term and Condition' section provides detailed instructions for photo format, including file type, size, and composition. A 'Let's Ask Mido!' button is also present.

Bangladesh

Sponsorship Packages

MAIN SPONSOR (EXCLUSIVE)

USD 75,000

Positioning: Strategic Architect of Regional AI Leadership

Key Privileges:

- Exclusive category positioning
- Prime speaking role (Opening/ Keynote / Fireside)
- Strategic visibility across main stage & legacy assets
- Priority access to government & ASOCIO leadership sessions
- Prominent role in AI Awards & Closing Legacy Narrative

PLATINUM SPONSOR

USD 50,000

Positioning: Regional Thought Leader

- Keynote or fireside participation
- High-visibility branding across summit assets
- Premium exhibition presence
- Priority curated networking access

SILVER SPONSOR

USD 20,000

Positioning: Supporting Ecosystem Partner

- Logo visibility
- Exhibition presence
- Delegate access

GOLD SPONSOR

USD 35,000

Positioning: Industry Contributor

- Panel participation
- Standard exhibition booth
- Strong branding visibility
- Access to structured networking programs

BRONZER SPONSOR

USD 10,000

Positioning: Ecosystem Participant

- Brand listing
- Delegate passes
- Community-level exposure

Sponsorship Packages

Welcome Dinner Package

USD 15,000

- Exclusive Naming Rights: "Welcome Dinner Presented by [Sponsor]"
- Logo on Dinner Backdrop & Event Materials
- 3-Minute Welcome Address
- 2-Minute Corporate Video Showcase
- Website & Program Book Branding
- MC Acknowledgement
- VIP Seating Privileges

Lunch (Day 2 & Day 3)

USD 10,000

- Branding at lunch area
- Logo placement on lunch packaging
- MC acknowledgment
- Event program recognition
- Lunch Talk

Awarding Night Dinner Package

USD 20,000

- Exclusive naming rights: "ASOCIO AI Awards Celebration Dinner Presented by [Sponsor]"
- Corporate logo displayed throughout the Awards Event
- Opportunity for a 5-minute address
- Corporate video presentation (up to 3 minutes)
- Recognition during award presentations
- VIP table allocation

Goodie Bag for VIP & VVIP

USD 5,000

- Sponsor logo on official VIP/VVIP goodie bags
- Opportunity to include promotional materials and merchandise
- Brand exposure to government officials, ASOCIO leaders, speakers, and international delegates

Door Prize Sponsor

Door Prizes (Min. USD 200 each)

- Sponsor recognition during prize draws
- Branding on lucky draw materials
- Product showcase opportunity
- MC acknowledgment throughout the program

Sponsorship Packages

Official Partner of ASOCIO NextGen Tech Leaders Fellowship

USD 20,000

- Naming rights on all Fellowship communications

Conclusion & Closing Statement

A Call to Action

ASOCIO Digital & AI Summit 2026 is more than a regional technology event. It is a strategic platform to connect vision, policy, innovation, business, and action across Asia-Oceania.

As digital transformation and artificial intelligence continue to reshape economies, industries, governments, and societies, no country, organization, or industry can move forward alone. The next phase of digital growth requires stronger collaboration, trusted partnerships, responsible innovation, and shared commitment among all stakeholders.

Jakarta is ready to welcome ASOCIO member economies, government leaders, technology companies, innovators, investors, academia, and digital communities to build a stronger regional future together.
